HI-BRIDGE Solutions is your educational guide and support service for the Quality Payment Program

What is QPP?

The Quality Payment Program (QPP)- is an incentive program offered by the Centers for Medicare and Medicaid Services (CMS). The program seeks to reward high-value, high quality Medicare clinicians with payment increases for those who meet performance standards.

As the QPP continues to develop it has become increasingly more difficult to meet the participation requirements. **That's where HI-BRIDGE Solutions QPP experts come into play.**
